Learn how to ask/answer questions about the location of items

「Aはどこにありますか」「AはBにあります」

Slide 1: Learning how to indicate location

Two sentence patterns are introduced in this section:

1. AはBのとなりにあります。(A is next to B)
2. AはBとCのあいだにあります。(A is in between B and C).

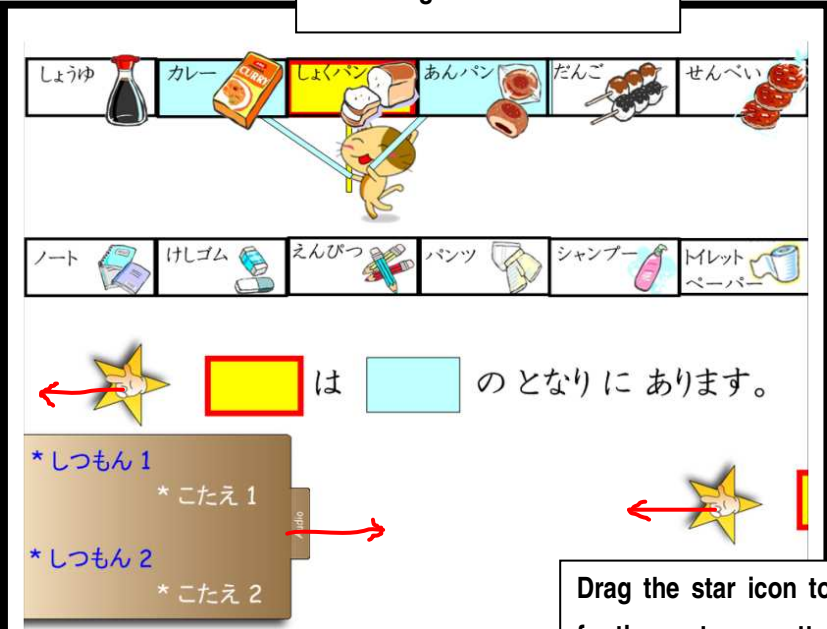

Start by pulling out the 'Audio' tag. This pull tag has two sets of しつもん and こたえ.

Tap on しつもん 1 to play the sound clip that says 「しょうゆは、どこにありますか」. After locating しょうゆ in the picture, slide the cat holding 3 cards so that the yellow box is on しょうゆ (Note that the blue box next to it is on カレー. This is significant as it visually corresponds to the sentence pattern.)

Tap on こたえ 1 to play the sound clip that says 「しょうゆは、カレーのとなりにあります」 while pointing at the picture. Reveal the sentence by dragging the star icon on the right-hand side of the screen to the left. Make sure students understand that the item highlighted with the yellow box is the subject and the item in blue box indicates what is right next to it. It is suggested that you move the cat and the boxes around so that students can practise many different combinations.

しつもん 2 and こたえ 2 introduce 「Aは、BとCのあいだにあります」 in the same way.

Bring the yellow box to the item being asked about.

Tap on しつもん and こたえ for the sound clip.

Slides 2-3: Making Sentences

The tasks on these two pages enable students to practice the sentence patterns introduced on the last page. Rearrange the words and particles to make a sentence by dragging them into the appropriate order. Answers can be checked by dragging the star icon to the left.

Rearrange the words and make a sentence.

Drag the words to make a sentence.

Pull out the star icon to the left for the answers.

Slide 4-5: Indicating location

In this task students guess where the item is hidden and make a sentence e.g. 「えんぴつは、くつしたとにくまんのあいだにあります」。 The questions automatically appear at the bottom of the page. Tap the coloured square to reveal the item hidden behind it. The item will be hidden again if the square is tapped on.
